## DYSLEXIA ASSOCIATION OF SINGAPORE CHARITY GOLF AND DINNER 2018

“A beautiful wine. Its elegant, its classic ...  
And its been aged for you here at the winery! ”

Kim Tyrer

Winemaker, Galafrey Wines

### GALAFREY

#### RESERVE CABERNET SAUVIGNON 2004

A great depth of aromas comprising ripe, sweet berries, plum fruits and oak influences.

The palate is intense and elegant with good length, showing complex sweet and sour characters. This is testament to the very best barrels that are set aside to produce an exceptional Reserve edition wine.

#### ABOUT GALAFREY WINES

Galafrey remains one of the oldest family-owned vineyard in Mount Barker, Western Australia. For over 40 years, Galafrey is well-known for its dry grown vineyard philosophy, relying entirely on rainfall for irrigation. This philosophy sacrifices yields to produce fruits of intense flavors and wines of stunning quality.

Galafrey won its first trophy in 1985 for its Cabernet Sauvignon and has since added further recognitions for its Riesling, Pinot Noir and other varieties to its trophy cabinet. Second-generation winemaker Kim Tyrer now leads Galafrey, as one of the leading female winemakers in the country.
