DYSLEXIA ASSOCIATION OF SINGAPORE CHARITY GOLF AND DINNER 2018

“It all felt a bit like alchemy, but the resulting wine surpassed my expectations ... the international acclaim this wine garnered instantly put La Violetta on the map as a garagista of serious intent”

Andrew Hoadley
Winemaker, La Violetta

LA VIOLETTA

LA CIORNIA SHIRAZ 2008

Aromatically expressive and layered, with floral and berry notes over complex, savoury perfumes; charcuterie, woodland spices, lavender, umami.

The depth of fruit is fully intact when tasted in 2018, showing no signs of tiring. There is the same harmony, balance and length it showed as a young wine, and it feels ready for the next ten years

ABOUT LA VIOLETTA

La Violetta is the brainchild of Andrew Hoadley, one of the most influential new wave winemakers of Western Australia. “Wine Wizard”, “Lone Ranger”; Andrew has been called many names by wine writers for his intuitive approach to winemaking, testing conventions for spectacular results.

Sourcing grapes from a handful of trusted growers across the Great Southern wine region of Australia, Andrew carefully handcrafts every wine to produce very limited quantities. His first ever release, the 2008 La Ciornia (above), took the world by storm, winning international acclaim. It is no wonder La Violetta has garnered a loyal cult following since.
