POACHER'S RIDGE

SOPHIE'S YARD SHIRAZ 2007

Complex and alluring bouquet showing ripe plums, a hint of apricots, notes of spice, herbs and French oak.

The palate holds great lift and appeal, beautifully rich and round in the mouth with plums, red fruits and apricot fruit characters. A great medium-bodied vibrancy and a lovely aromatic finish thanks to the small amount of Viognier.

ABOUT POACHER'S RIDGE

Poacher's Ridge is a small, family-run vineyard that takes great care and pride in hand-pruning vines, hand-picking grapes and hand-crafting exceptional terroir-driven wines. Poacher's Ridge wines represent the finest expressions of cool-climate, medium-bodied Western Australia wines.

The estate burst onto global recognition when it beat heavyweights from Australia, New Zealand and South Africa, to win the Tri-Nations Trophy for Merlot in 2007. Despite this and many other successes, Poacher's Ridge remains one of the best-kept secrets from the Great Southern wine region of Australia.
