Dear Friends of DAS,

DRIVE FOR DYSLEXIA
DAS CHARITY GOLF & DINNER 2023
Tanah Merah Country Club Tampines Course
Wednesday, 2 August 2023

The Dyslexia Association of Singapore Limited (DAS) cordially invites you to support its third Charity Golf & Dinner, Drive for Dyslexia, which will take place on August 2, 2023, at the Tanah Merah Country Club. This event will be graced by our Guest-of-Honour, Mr Chan Chun Sing, the Minister of Education, who will join us at the start of the dinner.

DAS is a non-profit social service agency that provides a wide array of services for people with dyslexia and other specific learning differences. Dyslexia is a learning difference that affects a person's ability to read, write and spell. As children with dyslexia struggle to learn, this can affect their self-esteem as they try to fit into a learning system that was not built for them. As an inclusive society, we have much to do to help these children towards a different path, enabling them to flourish into successful adults.

Every year, DAS must raise over \$2.9 million to provide financial assistance for students from lower-income families to ensure that they can continue to access the specialist intervention that they need and deserve, and for which they do not receive government assistance. We need the support of generous donors and organisations to make this specialist support for our students possible.

We would like to appeal to you and your organisation to join us in our journey towards an inclusive and nurturing society where children will not be disadvantaged in the classroom because of their learning challenges. We would be most grateful if you would consider supporting DAS by sponsoring the DAS Charity Golf & Dinner 2023 in the form of a cash donation, or in-kind donations such as prizes for the lucky draw or other contributions as specified in the attached sponsorship forms. Cash donations will be entitled to 2.5 times tax deduction. All funds raised from the event will go towards the DAS Bursary Fund to provide financial support for underprivileged DAS students.

For sponsors interested in playing golf, we offer tiered golf flights that include a game of golf for four persons and dinner for a specific number of guests, according to the respective tiers. Sponsoring a golf flight presents donors with the opportunity to win several prizes, all in aid of a good cause. We appreciate and welcome your support in this initiative. More information about sponsorship is attached to this letter.

Registration for the DAS Charity Golf & Dinner 2023 is open, and more information about the event can be found on the DAS website here: lead.me/drivefordyslexia. If you wish to make a donation or sponsorship, please contact the DAS Assistant Director of Fundraising, Surjati Soekraman, at surjati@das.org.sg or call 9101 8610.

The DAS team is doing its utmost to help children with learning difficulties grow and maximise their contribution to society. We hope you would consider supporting DAS in their efforts towards helping dyslexic people achieve! On behalf of the dyslexic children we serve, we thank you and we look forward to your contribution and support.

Yours sincerely,

Eric Lee
Chairman
Dyslexia Association of Singapore Limited
