HELPING DYSLLEXIC PEOPLE ACHIEVE

DAS PATRON: MRS GOH CHOK TONG

29 April 2020

Dear DAS Parents,

**COVID-19 ADVISORY 10 NEW ENROLMENTS TO SPECIALISED EDUCATIONAL
SERVICES PROGRAMMES**

Specialised Educational Services (SES) Programmes including the Preschool, Prep to PSLE, Speech and Drama Arts, Speech and Language Therapy and Science programmes have been delivering online lessons since the 23 March. Our SES Chinese and Math programmes explored the delivery of lessons via a take home learning pack since the 23 March and have moved on to delivering online lessons since 6 April. Our programmes have reacted quickly in ensuring learning continues. We are heartened to see our educational therapists working together with their students and parents to ensure we provide the best for our students during this difficult period. We will continue to refine and improve the delivery of our programmes.

We have been working hard not to delay the intervention for your child and we are now confident that new students can commence with online classes on SES Programmes. We have also refined our enrolment processes so that profiling for specific programmes can be conducted online.

If you have applied to enrol your child in any of the SES programmes, our centre managers will be progressively contacting you to check on your interest to begin lessons. If you have not, and are interested in our programmes, you can consider submitting your application using the link on our website: www.das.org.sg/apply-for-services.html

Should you have further questions, you may contact our customer service officers between 9.00am to 5.30pm, Monday to Saturday on our DAS Hotline @ 6444 5700 to find out more.

We look forward to working closely with you and your children.

Stay safe and healthy!

Yours sincerely,

Edmen Leong

Director, Specialised Educational Services
