DAS would be deeply grateful if you would consider supporting children with dyslexia and other learning differences through our *Sponsor a Child initiative*, a Charity Golf & Dinner donation, in-kind sponsorship, or other contributions outlined in the sponsorship table. All donations directly support the specialised education of students from low-income families. By sponsoring a child, you help fund their programme fees and become part of their learning journey, sharing in their progress, growth, and achievements.

Every contribution, big or small, helps a child learn, grow, and thrive.
